Ok. Thanks. I'm going to resend an invite.

Just FYI, George Bridgers asked to send it to him and some on the modeling group in case they were interested. I don't know if any of them will attend, several have conflicts at that time, but they'll be on the invitation.

Either one of those is fine. Are you still planning to send agenda, topics, etc. today?

Steve Perry is out Thursday and Friday. How about moving it to 9am or 10am CDT Wednesday morning? Does that work?

Randy,

Tomorrow's schedule is especially busy. How about Thursday morning before 11:00 AM or Friday afternoon?

Jeff

Hi Jeff,

Turns out Wednesday at 11am CDT doesn't work well for our USG call. What's your schedule look like for tomorrow?
